Camping Team

The Camping Team enable young people to come to Focus, particularly if they do not have a parent or carer coming. As the responsible carer over the weekend, they are there to support young people's wellbeing, ensuring that they are fed, have slept well and are in good health throughout the weekend. This role requires negotiation between yourself, the young person, their parent/carer and your church. We do not expect this team to be present at all sessions but do ask that these team members attend the Focus Youth Team Safeguarding Training and come along with their young people to the evening sessions. Camping Team should book on with a minimum of 2 team to start off with and then follow the ratio of 1 team member to 5 young people.
